To apply for a wedding at Christ Church please complete the form below - this can be done by either the Bride or Groom. You may have already telephoned the Vicar to discuss your planned wedding.

Whoever completes the form must enter their name, the date and email address at the bottom.

Banns must be published (read out) during a Church service on three Sundays before the marriage. The first publication will be three months before the marriage date.

At Christ Church we normally publish Banns during our main Sunday 10.45am service.

In exceptional circumstances (e.g. if the couple are living overseas) and you would like to arrange for the publication to be on a particular Sunday(s) please advise us when you complete the "Confirmation of Requirements" form.

If either of you are not resident in Christ Church Aughton parish you must also have your Banns read in the Church of England Parish(s) in which you live. To identify your Church of England Parish go to www.cofe.anglican.org and enter your postcode in the box "To find a Church Near You".

Included below are questions about your fathers that have to be returned to the Borough Registrar on the Marriage certificate.
